Directory of Environment & Allied Industry

A Complete Directory of All Kinds of Environmental Pollution Related Activities

Categories Covered

- Air Pollution Control Equipments, HVAC Systems & Related Equipments
- Effluent/Wastewater/Sewage Treatment Plant Manufacturers/Dealers
- Solid Waste Management Equipments (incinerators, Composting, Landfilling, etc.)
- Chemicals For Effluent Treatment, Water Treatment, etc.
- Filters & Filtration Equipments
- Pumps - For Effluent/De-watering /Sewage /Mud / Wastewater etc.
- Root Blowers/Twin Lobe Compressors for ETPs, etc.
- Instruments For Testing/Measuring of Air/Water/Soil/Noise Pollution
- Water/Raw Water Treatment Plants Manufacturers/dealers
- Micro-organism, Bioculture Treatment
- Noise Pollution Control Equipments
- Environmental/recycling Technologies /plants & Env. Conservation, etc.
- Corrosion Control/resistant Treatment For ETPs, etc.
- Ozone Generation Equipments
- Swimming Pool Filtration/cleaning Equipments & Services, etc.
- Consultants For Environment, Auditing, EIA, ISO-14000, etc.

Target Readers/Users of the Directory:

All the Manufacturers/Dealers/Service providers, whose information will be provided. Industries facing pollution problems like, **Chemicals; Pharmaceuticals; Textile; Fertilisers; Sugar; Cement; Distillery; Aluminium; Petrochemicals; Thermal Power Plants; Oil Refineries; Paper & Pulp; Pesticides; Ceramic; Electroplating & Galvanising; Foundries; Copper Smelters, Marble Processors and Tanneries, etc.**
